- 10.) Product purchased outside of the United States.
- 11.) Product returned by anyone other than the original purchaser, unless product was purchased through a wholesaler.

Note: Products not eligible for return and reimbursement shall be sent to Stericycle for disposal and destruction, however, no reimbursement will be issued for said product unless state or local law requires otherwise.

Teva USA Return Goods Agent

Stericycle Direct Return, Inc. ("Stericycle") is the approved return goods agent for Teva USA. Customers returning eligible return goods product do not incur any processing fees or service charges and Teva USA will be responsible for the associated costs for return goods processing and product destruction. Stericycle will accept Teva return good shipments from other third party return goods processors.

Teva will not pay for, nor reimburse wholesalers or any customer for, any return goods transportation costs, handling fees, or processing fees incurred on the part of the wholesaler/distributor, distributor's return goods processor or customer. Direct purchasing customers are specifically prohibited from deducting from any payment any such return transportations costs, handling fees or processing fees.

To receive reimbursement, all eligible returns should be shipped pre-paid to:

Stericycle Direct Return, Inc.
2084-900 Lake Industrial CT
Conyers, GA 30013-5758
DEA NUMBER: RU0336835

To contact Stericycle directly, please call **1-800-777-6565**.

All eligible products shipped to Stericycle shall be shipped in a safe, secure, and reliable manner, and in compliance with all applicable federal, state and local laws, regulations and statutes. It is the shipper's responsibility to securely package all return goods to prevent breakage during transit and otherwise comply with laws and regulations applicable to the packaging, shipping and transport of return goods shipments. Broken product containers that do not contain any viable product are NOT to be shipped to Stericycle. If any such containers are shipped to Stericycle they will be disposed of and will not be reported as a product return. If Stericycle accepts damaged, broken, wet and/or leaking shipping containers that were damaged during shipment, Stericycle may process such return goods shipments, however, no reimbursement will be issued by Teva USA. Teva USA is not responsible for shipments lost and/or damaged in transit. Teva USA recommends that all customers insure return goods shipments.

Valuation of Returns

- 1.) For product returned within one (1) year after the expiration date stated on the package, reimbursement will be issued based on current Wholesaler Acquisition Price (WAC) minus five percent (5%) or purchase price, whichever is lower, except as otherwise required by law.
- 2.) Reimbursement will be issued for partial bottles of AZILECT (i.e. tablets). Stericycle will audit the quantities of return goods and final reimbursement will be based on Stericycle's count. Reimbursement for partial bottles of tablets will be based on individual tablet count. Reimbursement will be issued for only the specified amount of the original container quantity. For example, if fifty (50) tablets are returned in a thirty

(30) count bottle, reimbursement will only be issued for the exact count of the tablets up to a maximum of thirty (30) tablets. The quantity of tablets exceeding thirty (30) will be destroyed and no reimbursement will be issued for such quantity.

- 3.) Reimbursement will be issued for partial boxes of less than thirty (30) syringes of COPAXONE. Stericycle will audit the quantities of return goods and final reimbursement will be based on Stericycle's count. Reimbursement for partial boxes of COPAXONE will be based on individual syringe count. Reimbursement will be issued for only the specified amount of the original container quantity. For example, if five (5) syringes are returned in a thirty (30) count box, reimbursement will only be issued for the exact count of the syringes up to a maximum of thirty (30) syringes.
- 4.) Reimbursement will be issued in the form of a credit memo for direct purchasing customers. Any right of set-off for return goods shipments may only be exercised following receipt of a properly issued credit memo. Reimbursement in the form of a check will be issued for indirect purchasing customers who only purchase product through wholesalers.
- 5.) To assist in accurate credit memo/check processing or to obtain shipping instructions, please call Stericycle at 800-777-6565. The following information is to be included with the return goods shipment:
 - a) Return Originator name and mailing address
 - b) Distributor/Wholesaler name and mailing address (if product purchased from a distributor or wholesaler)
 - c) Remit-To name and mailing address
 - d) Debit Memo detail

Teva USA reserves the right to verify all product returns to make certain they conform to this Return Goods Policy. Return goods shipments which are deemed to be outside of this policy will not be returned to the customer or the third party processor and no reimbursement will be issued by Teva for said product unless state or local law requires otherwise.

This Return Goods Policy is subject to change at any time and without prior notice to other parties.
